## About Radin Company

The Nuzha Company, relying on quality, product variety, and customer commitment, is recognized as one of the best producers and suppliers of peanuts in Iran and global markets. The company continuously strives to improve its products and services to earn customer satisfaction. Thanks to high customer satisfaction and meticulous selection and processing of the finest products, the Nuzha brand is a prominent representative in the peanut industry. It offers all its products with high health standards and appropriate packaging tailored to customer needs at the most competitive prices to its special clients worldwide

Peanuts are a popular snack globally, recognized as a rich source of protein, healthy fats, and vitamins, used in the food industry and as a nutritious and energizing snack for athletes. With a variety of peanut-based products, from coated peanuts to peanut butter, this fresh and delicious food can be an excellent option for boosting energy and providing a sense of fullness during daily snacks

Carbohydrates	16.13 mg
Sugar	4.72 mg
Iron	4.5 mg
Calcium	92 mg
Sodium	18 mg
Potassium	705 mg

## Products

Nuzha Company offers a wide range of high-quality peanuts, meeting diverse market demands. We proudly guarantee the quality of our products and present a collection of the finest

### **Peanuts with Shell**

Natural and tasty, these peanuts come raw without any harmful chemical additives, available in both salted and raw forms

## Features

Flavor: Mild and delicious

Suitable for: Snacks, mixed nuts, and cooking

Exports: Middle East and Central Asia

## **Peanuts without shell**

These sorted peanuts, among the best varieties, are shelled and pure ideal for use in the food and confectionery industries

### **Features**

Color: White to cream

Flavor: Sweet and delicious

Suitable for: Peanut butter production and confectionery

Exports: European and American countries

## Salted Peanut Kernels

With a crunchy and delicious taste, these salted kernels are perfect for snacks and appetizers

### Features

Color: Yellowish-brown

Flavor: Salty and crunchy

Suitable for: Direct consumption, salads, and various dishes

Exports: Middle East and European countries

## Peanuts for Butter Making

These high-quality peanuts have the right fat content for producing premium peanut butter sorted through laser technology and cleaned by skilled workers

### Features

Color: Usually shelled and light

Quality: High fat content (about 40%)

Suitable for: High-quality peanut butter production

Exports: Countries with high peanut butter demand, such as the U.S. and Canada

## Peanuts for Oil Extraction

With a high oil content, these peanuts are ideal for extracting peanut oil. The organic and premium peanuts are roasted in a single or double roast process, preserving the natural properties and flavor while increasing the oil percentage

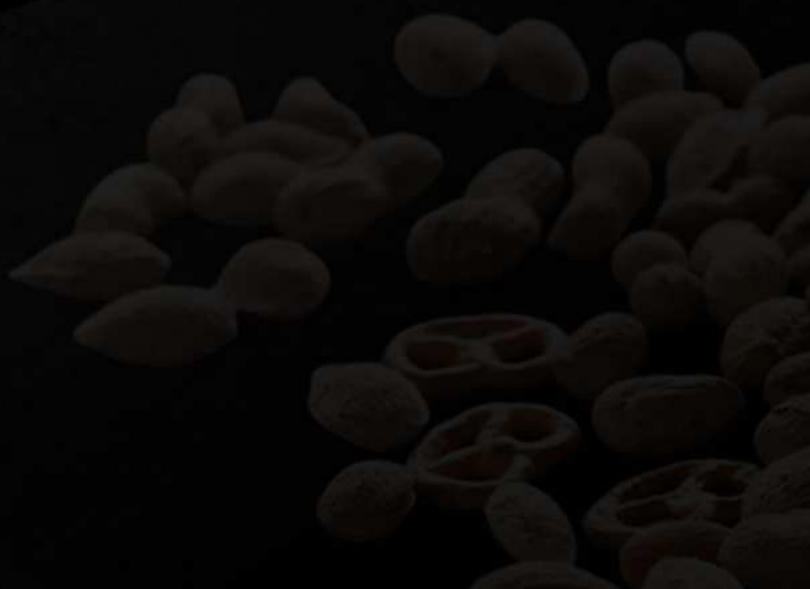

## Features

Color: Usually shelled

Quality: High oil content (about 40%)

Suitable for: Peanut oil extraction

Exports: Countries with advanced food industries, like China and India

## Coated Peanuts

These shelled peanuts are coated with chickpea or wheat flour, along with various spices and main flavorings like onion and parsley powder, pepper, and vinegar

**Flavor:** A combination of peanut and various seasonings

**Suitable for:** Snacks and tasty appetizers

**Exports:** Countries with high demand for snacks, such as Middle Eastern and European nations

The background of the entire image is a dense, close-up photograph of many peanuts in their natural, light-brown, wrinkled shells. The peanuts are scattered across the frame, creating a textured, organic pattern. A semi-transparent dark grey rectangular box is overlaid on the center of the image, containing the text.

## **Key Features of Nuzha Company**

### **High Quality**

Nuzha emphasizes product quality, using the best peanut sources. Every production stage, from harvesting to packaging, is closely monitored to ensure the final products are unparalleled in taste and quality.

### **Advanced Equipment**

The company uses cutting-edge technology in processing and packaging to preserve the flavor and nutritional properties of peanuts. Modern equipment enhances efficiency and reduces waste in production.

### **Specialized Staff**

Nuzha is proud of its team of specialists who, with their knowledge and experience, continuously improve product quality and production.

The team is always striving to provide the best services to customers.

## Customer Commitment

Nuzha is dedicated to customer satisfaction, constantly identifying and meeting their needs. The company provides expert consultation in product selection to assist its clients

## International Market Exports

Nuzha is active not only in the domestic market but also plays a crucial role in expanding the Iranian brand by exporting its products to various countries

Nuzha offers all its products in a variety of packaging, usually in two types: small and bulk, tailored to target markets and customer needs worldwide. Small packaging includes aluminum foil, PET containers cans, nylon, and cardboard packaging. Bulk packaging includes 10 and 20 kg cartons and 25 and 50 kg bags. Nuzha's experienced team proudly ensures that each product is delivered in the desired quality with appropriate packaging and competitive pricing
